

## **Cornell Farms presents:**

# **MARK REEVES**

**Monday, June 11, 2018  
7:30 p.m.**

Mark is one of those artists who has masterful chops and the kind of mesmerizing stage presence that most artists never achieve in a lifetime. He won a scholarship to Boston's Berklee College of Music at 19, paid his dues in the blues clubs, made a record with Los Lobos producer Keith Keller's at Keller's mansion in New Orleans, won a sackful of awards, and warmed up stages for everyone from Robert Cray and Blue Rodeo to Colin James and Jesse Winchester.

It's been said that if Bonnie Raitt and Lyle Lovett had a love child, Mark Reeves would be it.

Anyone who loves R & B will immediately be inspired by Mark's infectious, dance-all-night groove thang, but there are profoundly beautiful moments here, and unpretentious lyrical wisdom that makes you sit back while you catch your breath.
