

Fall Cattle Tour – September 8th, 2012

With a full bus load and many cars following along, the only word to describe the Rainy River Hereford

Association Fall Cattle Tour is “successful”. Sixty plus people participated in the day long affair and saw a range of beef operations throughout the Rainy River District.

The tour ended at Cornell Farms with a steak BBQ and musical entertainment by “Entirely Mac” all compliments of the Rainy River District Hereford Association. Organizer, Laura Zimmerman was very pleased with how the day turned out with some participants coming from as far as Thunder Bay and the US. Here are some photos from the tour.
